## LEASING CRITERIA

### Georgetown Woods Apartments

This community utilizes a third-party service that conducts credit, rental history and criminal background investigations. Community management team members conduct all employer/income verifications. The investigation is conducted on all adult (18 years of age or older) occupants. The investigations are based on information provided by the applicant and information that may be retrieved from credit agencies, employers, previous landlords and Federal, State and Local agencies and other associated parties. In the event the application is rejected, the applicant will be notified verbally and in writing as to the reasons and the sources(s) of the information that resulted in the rejection. However, if the rejection is a result of the information provided by the applicant, we will only provide the results verbally unless the applicant makes a formal written request for information pertaining to the denial. In the case of roommates, information that we have obtained resulting in a rejection can only be released to the party whose investigation causes the rejection. **A security deposit will be required from all applicants and multiple adult applicants will require additional application fees.**

#### Criteria:
